

**Do you have a child between the ages of 8-12?  
If so, we need your help!**

**We are looking for healthy 8-12 year olds to participate in an exciting study at the IWK Health Centre.**

**You and your child will visit the Centre for Pediatric Pain Research to participate in a research project studying children's feelings and pain.**

**For helping us and to thank you, you will receive \$20 to help with transportation costs and your child will receive \$20 and a certificate.**

**To learn more or find out if you are eligible, please  
Call 470-6906 or Email [melanie.noel@dal.ca](mailto:melanie.noel@dal.ca)**
