

Children aged 10 to 14 are needed to take part in

a research project at the  
*IWK Health Centre*  
comparing different ways  
to help kids feel better  
when they have pain.

*What would I be doing?*

You and your child would visit the Centre for Pediatric Pain for a 60 minute study. For helping us out, you will receive \$5 and your child will receive \$15.

*How do I learn more?*

Contact us at (902)470-6906 or e-mail [mark.petter@dal.ca](mailto:mark.petter@dal.ca)
